1 **SEC. 2. FINDINGS.**

2 Congress finds the following:

3 (1) The proportion of the United States popu-
 4 lation age 60 years or older will drastically increase
 5 in the next 30 years as 77,000,000 baby boomers
 6 approach retirement and old age.

7 (2) Each year, anywhere between 500,000 and
 8 5,000,000 elders in the United States are abused,
 9 neglected, or exploited.

10 (3) Elder abuse, neglect, and exploitation have
 11 no boundaries, and cross all racial, social class, gen-
 12 der, and geographic lines.

1 (4) Victims of elder abuse, neglect, and exploi-
2 tation are not only subject to injury from mistreat-
3 ment and neglect, they are also 3.1 times more likely
4 to die at an earlier age than expected than elders
5 who were not victims of elder abuse, neglect, and ex-
6 ploitation.

7 (5) There is a general dearth of data as to the
8 nature and scope of elder abuse, neglect, and exploi-
9 tation.

10 (6) Despite the dearth of data in the field, ex-
11 perts agree that most cases of elder abuse, neglect,
12 and exploitation are never reported and that abuse
13 and neglect shorten a victim's life, often triggering
14 a downward spiral of an otherwise productive, self-
15 sufficient elder's life. Programs addressing other dif-
16 ficult issues such as domestic violence and child
17 abuse and neglect have demonstrated the need for a
18 multi-faceted law, combining public health, social
19 service, and law enforcement approaches.

20 (7) For over 20 years, Congress has been pre-
21 sented with facts and testimony calling for a coordi-
22 nated Federal effort to combat elder abuse, neglect,
23 and exploitation.

24 (8) The Federal Government has been slow to
25 respond to the needs of victims of elder abuse, ne-

1 neglect, and exploitation or to undertake prevention ef-
2 forts.

3 (9) No Federal law has been enacted that ade-
4 quately and comprehensively addresses the issues of
5 elder abuse, neglect, and exploitation and there are
6 very limited resources available to those in the field
7 directly dealing with these issues.

8 (10) Differences in State laws and practices in
9 the areas of elder abuse, neglect, and exploitation
10 lead to significant disparities in prevention, protec-
11 tive and social services, treatment systems, and law
12 enforcement, and lead to other inequities.

13 (11) The Federal Government has played an
14 important role in promoting research, training, pub-
15 lic safety, data collection, the identification, develop-
16 ment, and dissemination of promising health care,
17 social, and protective services, and law enforcement
18 practices, relating to child abuse and neglect, domes-
19 tic violence, and violence against women. The Fed-
20 eral Government should promote similar efforts and
21 protections relating to elder abuse, neglect, and ex-
22 ploitation.

23 (12) The Federal Government should provide
24 leadership and assist States and communities in

1 their efforts to protect elders in the United States
2 by—

3 (A) promoting coordinated planning among
4 all levels of government;

5 (B) generating and sharing knowledge rel-
6 evant to protecting elders;

7 (C) providing leadership to combat the
8 abuse, neglect, and exploitation of the Nation’s
9 elders; and

10 (D) providing resources to States and com-
11 munities to promote elder justice.

12 (13) The problem of elder abuse, neglect, and
13 exploitation requires a comprehensive approach
14 that—

15 (A) integrates the work of health, legal,
16 and social service agencies and organizations;

17 (B) emphasizes the need for prevention, re-
18 porting, investigation, assessment, treatment,
19 and prosecution of elder abuse, neglect, and ex-
20 ploitation at all levels of government;

21 (C) ensures that sufficient numbers of
22 properly trained personnel with specialized
23 knowledge are in place to treat, assess, and pro-
24 vide services relating to elder abuse, neglect,

1 and exploitation, and carry out elder and vul-
2 nerable adult protection duties;

3 (D) is sensitive to ethnic and cultural di-
4 versity;

5 (E) recognizes the role of mental health,
6 disability, dementia, substance abuse, medica-
7 tion mismanagement, and family dysfunction
8 problems in increasing and exacerbating elder
9 abuse, neglect, and exploitation; and

10 (F) balances adults' right to self-deter-
11 mination with society's responsibility to protect
12 elders and vulnerable adults.

13 (14) The human, social, and economic cost of
14 elder abuse, neglect, and exploitation is high and in-
15 cludes unnecessary expenditures of medicare and
16 medicaid funds.

17 (15) The failure to coordinate activities relating
18 to, and comprehensively prevent and treat, elder
19 abuse, neglect, and exploitation threatens the future
20 and well-being of millions of elders in the United
21 States.

22 (16) All elements of society in the United
23 States have a shared responsibility in responding to
24 a national problem of elder abuse, neglect, and ex-
25 ploitation.

1 **SEC. 3. PURPOSES.**

2 The purposes of this Act are as follows:

3 (1) To bring a comprehensive approach to pre-
4 venting and combating elder abuse, neglect, and ex-
5 ploitation, a long invisible problem that afflicts the
6 most vulnerable among the aging population of the
7 United States.

8 (2) To raise the issue of elder abuse, neglect,
9 and exploitation to national attention, and to create
10 the infrastructure at the Federal, State, and local
11 levels, to assure that individuals and organizations
12 on the front lines, who are fighting elder abuse, ne-
13 glect, and exploitation with scarce resources and
14 fragmented systems, have the resources and infor-
15 mation needed to carry out their fight.

16 (3) To bring a comprehensive multi-disciplinary
17 approach to elder justice.

18 (4) To set in motion research and data collec-
19 tion to fill gaps in knowledge about elder abuse, ne-
20 glect, and exploitation.

21 (5) To supplement the activities of service pro-
22 viders and programs, to enhance training, and to le-
23 verage scarce resources efficiently to ensure that
24 elder justice receives the attention it deserves as the
25 Nation's population ages.

1 (6) To examine the many different laws and
2 practices relating to elder justice in different States
3 and jurisdictions to ascertain which among those
4 laws and practices are the most effective.

5 (7) To promote the development of an effective
6 adult fiduciary system, including an adult guardian-
7 ship system, that protects individuals with dimin-
8 ished capacity, maximizes their autonomy, and devel-
9 ops effective resources and an elder rights system.

10 (8) To recognize and address the role of mental
11 health, disability, dementia, substance abuse, medi-
12 cation mismanagement, and family dysfunction prob-
13 lems in increasing and exacerbating elder abuse, ne-
14 glect and exploitation.

15 (9) To create a short- and long-term strategic
16 plan for the development and coordination of elder
17 justice research, programs, studies, training, and
18 other efforts nationwide.

19 (10) To promote collaborative efforts and di-
20 minish overlap and gaps in efforts in developing the
21 important field of elder justice.

 10 for preventing and reducing patient abuse.

11 (4) AUTHORIZATION OF APPROPRIATIONS.—

12 There are authorized to be appropriated to carry out
 13 this subsection such sums as may be necessary.

14 (c) SENSE OF THE SENATE REGARDING THE ESTAB-
 15 LISHMENT OF A NATIONAL BACKGROUND CHECK SYSTEM
 16 FOR LONG-TERM CARE EMPLOYEES.—

17 (1) FINDINGS.—The Senate makes the fol-
 18 lowing findings:

19 (A) Nearly 1,500,000 Americans reside in
 20 17,000 nursing homes throughout the Nation,
 21 and the vast majority of nursing homes partici-
 22 pate in the medicare and medicaid programs.

23 (B) The Federal Government spent
 24 \$82,100,000,000 through the medicare and

1 medicaid programs in fiscal year 2000 for long-
2 term care services.

3 (C) The impending retirement of the baby
4 boom generation will greatly increase the de-
5 mand and need for quality long-term care, and
6 it is incumbent on Congress and the President
7 to ensure that medicare and medicaid bene-
8 ficiaries are protected from abuse, neglect, and
9 mistreatment.

10 (D) On July 30, 2001, the minority staff
11 of the special investigations division of the
12 Committee on Government Reform of the
13 House of Representatives issued a report which
14 found that in the past 2 years, over 30 percent
15 of nursing homes in the United States were
16 cited for a physical, sexual, or verbal abuse vio-
17 lation that had the potential to harm residents,
18 and nearly 10 percent of nursing homes had
19 violations that caused actual harm to residents.

20 (E) Although the majority of long-term
21 care facilities do an excellent job in caring for
22 elderly and disabled patients, incidents of abuse
23 and neglect and mistreatment do occur at an
24 unacceptable rate and are not limited to nurs-
25 ing homes alone.

1 (F) Without a national background check
2 system to screen applicants for employment, all
3 long-term care providers, including nursing fa-
4 cilities, home health, home care, and hospice
5 providers, are at risk for hiring workers with a
6 history of abuse and violence.

7 (G) A March 2002 report by the General
8 Accounting Office found that few prosecutions
9 and criminal convictions result from allegations
10 of abuse in nursing homes.

11 (H) Federal law requires all States to
12 maintain a nurse aide registry which includes
13 any substantiated findings of abuse committed
14 by nurse aides in nursing homes.

15 (I) In March 2002, the General Account-
16 ing Office testified before the Special Com-
17 mittee on Aging of the Senate that the existing
18 State registries contained significant gaps be-
19 cause many nursing home employees are not in-
20 cluded in the registries and the registries do not
21 track abuses committed in other States.

22 (J) A 1998 report from the Office of the
23 Inspector General of the Department of Health
24 and Human Services entitled “Safeguarding
25 Long-Term Care Residents” recommended es-

1 tablishing a national registry of abusive long-
2 term care workers to be checked by all long-
3 term care facilities before hiring an employee.

4 (2) SENSE OF THE SENATE.—It is the Sense of
5 the Senate that Congress should pass legislation
6 that will—

7 (A) require the Secretary of Health and
8 Human Services to establish a national registry
9 of abusive long-term care workers that will in-
10 corporate abuse information from all existing
11 State nurse aide registries, and expand infor-
12 mation included in the State registries and the
13 national registry to include abuse information
14 about all employees of all long-term care pro-
15 viders that receive funding through the medi-
16 care or medicaid programs (42 U.S.C. 1395 et
17 seq.; 1396 et seq.);

18 (B) require all long-term care providers,
19 before hiring a potential employee, to conduct
20 checks of both the national registry and crimi-
21 nal conviction records maintained by the Fed-
22 eral Bureau of Investigation, and prohibit long-
23 term care providers from hiring potential em-
24 ployees with relevant abuse and criminal his-
25 tories;

1 (C) require the Secretary of Health and
2 Human Services and the Attorney General to
3 develop an efficient system for long-term care
4 providers to use to check both the national reg-
5 istry and the criminal conviction records main-
6 tained by the Federal Bureau of Investigation
7 before hiring an employee; and

8 (D) ensure adequate safeguards to protect
9 the privacy and accuracy of information regard-
10 ing applicants for employment being checked
11 through the national registry and the criminal
12 conviction records maintained by the Federal
13 Bureau of Investigation.

14 (d) EFFECTIVE DATE.—

15 (1) IN GENERAL.—Except as provided in para-
16 graph (2), this section and the amendments made by
17 this section shall take effect on the date that is 6
18 months after the effective date of final regulations
19 promulgated to carry out this section and such
20 amendments.

21 (2) SENSE OF THE SENATE.—Subsection (c)
22 shall take effect on the date of enactment of this
23 section.

1 **SEC. 103. INCREASING THE NUMBER OF HEALTH CARE**
 2 **PROFESSIONALS WITH GERIATRIC TRAINING.**

3 Section 338C of the Public Health Service Act (42
 4 U.S.C. 254m) is amended by adding at the end the fol-
 5 lowing:

6 “(f) For purposes of this section and section 338B,
 7 the term ‘obligated service’, with respect to an individual
 8 who has entered into a written contract with the Secretary
 9 under section 338B, includes any period in which the indi-
 10 vidual is enrolled and participating in an accredited (as
